

A vibrant tropical beach scene. In the foreground, a sandy beach curves along the bottom. The ocean is a deep blue with white foam from gentle waves washing onto the shore. The sky is a bright, clear blue with scattered white clouds. A large palm tree with green fronds and a brown trunk leans from the left side of the frame. In the upper right, there are green leaves and small orange fruits, possibly from a mango tree.

Einde turnseizoen
Rust Roest wenst
je alvast een leuke
vakantie.
